To: Schools Division Superintendents

Dear Superintendents,

This pertains to the letter from **ETCOR Educational Research Center** informing this Office about the conduct of different projects geared towards Grade 11 to 12 students to help promote the culture of research to the youth.

Project SAGIP MANANALIKSIK (For Everyone) is a series of free webinars which covers the Most Essential Learning Competencies for Research Subjects. The webinar titled "*Practical Research 2 (Quantitative Research) Quarter 2 Weeks 4 to 7 Lessons (MELC-aligned)*" will be conducted on January 7, 2021 via Zoom. While, "*Practical Research 2 (Quantitative Research) Quarter 2 Weeks 8 to 9 Lessons (MELC-aligned)*" will be on February 13, 2021.

Meanwhile, **Project SAGIP MANANALIKSIK (One-On-One)** is a free one-on-one Research coaching/assistance program with ETCOR's research consultants, research enthusiasts, and benefactors that senior high school students may apply for.

If participation of students in the above-mentioned projects from your Division is deemed necessary, please be reminded of the following conditions:

- a. that the Schools Division Office be informed, in writing, of participation to said activity;
- b. participation/attendance is on a voluntary basis;
- c. strict observance of the No Collection Policy; and
- d. strict observance of time-on-task or no disruption of classes policy of the Department.

Please be guided accordingly.

Very truly yours,

ANN GERALYN T. PELIAS

ETCOR EDUCATIONAL RESEARCH CENTER

Sta. Ana, Pampanga, Philippines

December 21, 2020

Dr. Wilfredo E. Cabral
Regional Director
Department of Education
Regional Office IV-A
Republic of the Philippines

Dear Dr. Cabral:

Greetings from ETCOR Educational Research Center!

Staying true to its mission to help researchers love and embrace the culture of research and responding to the challenge that education must continue despite the presence and threat of the COVID-19 pandemic, ETCOR Educational Research Center located in Sta. Ana, Pampanga, Philippines has launched two projects namely: (1) **“Project SAGIP MANANALIKSIK (For Everyone)”**, and (2) **“Project SAGIP MANANALIKSIK (One-on-One)”**.

1. “Project SAGIP MANANALIKSIK (For Everyone)”

Under the “Project SAGIP MANANALIKSIK (For Everyone)”, ETCOR’s research consultants who are composed of various research experts from the different parts of the country and are immersed in the conduct and teaching of research from various levels (basic education and higher education institutions) are serving as volunteer speakers/lecturers/moderators in a series of **FREE webinar** covering the Department of Education’s Most Essential Learning Competencies (MELCs) for the following Senior High School research subjects: Practical Research 1 (Qualitative Research), Practical Research 2 (Quantitative Research), Inquiries, Investigations and Immersion (3Is), and the Research Capstone.

This project is an acknowledgement of the fact that DepEd needs partners from the private sectors or private groups that share the same mission and aspirations for the Filipino learners to have quality, relevant and accessible education even in the time of pandemic. The series of webinar under this project are in support and an augmentation of DepEd’s different learning delivery modalities.

The series of webinars are being delivered via Zoom meeting with public and private SHS students-audience coming from the different parts of the country. The webinars’ video recordings are also uploaded in ETCOR’s YouTube channel and Facebook Page to accommodate to those students who will not be able to attend the webinars.

2. “Project SAGIP MANANALIKSIK (One-on-One)”

Under the “Project SAGIP MANANALIKSIK (One-on-One)”, ETCOR’s research consultants and other research enthusiasts and benefactors are individually adopting one Senior High School (SHS) learner from ETCOR’s list of student-beneficiaries and from

ETCOR EDUCATIONAL RESEARCH CENTER

Sta. Ana, Pampanga, Philippines

which the former are expected to assist the latter **FOR FREE** in their SHS research journey either via coaching and/or provision of financial aid to help them in their expenses related to research. ETCOR has set requirements for students who would like to apply as student-beneficiaries under the said project.

This project is an acknowledgement of the fact that research should not only teach people to be intellectual persons, but should develop in them the value of extending their assistance – no matter how little that might be – for other people especially during this time of uncertainty.

We will be very happy if your office can issue a DepEd advisory for these two projects so that we can reach more Senior High School student-beneficiaries and help them and other concerned people be aware of this noble endeavor.
